## Referee Responsibilities Check List (short form)

Presidio has made the process easier for you to report your games online, this now includes the **Red Card Supplemental Report**. The **Red Card Supplemental Report** will now be reported in the Comments Section titled "**Supplemental Incident Report / Game Comments**". This is a PRIVATE area and only Presidio League Administrators can see what has been written by you or the managers. Referee Assault will still need a written USSF Supplemental Report.

Our Presidio League Directors still require a copy of ALL game reports be sent to the Director listed on the game roster. **WITHIN 24 HOURS**, the center referee must enter their report online or review and acknowledge the game stats if already entered by the teams by clicking on "**SAVE STATS & COMMENTS**".

We have are entire rules available as a download from our website. We recommend that you read this in its entirety and retain a copy for your reference.

Below is a guide to what is expected if you accept to do a game in Presidio or SDDA:

### Pre-Game

1. Referees must be registered with Cal South, be shown on the approved list, and know Presidio and SDDA League rules.
2. Must have current year Cal South Referee ID Card at game, and show it to both teams administrators before the game.
3. Referees **must conduct a proper check in** of the teams by matching Official Match/Game Roster to laminated Player ID Cards or if team forgets cards, match pictures on roster to players. Player without a picture on the roster or a laminated Cal South Player card cannot play.
4. By design there is only 15 minutes between games. It is recommended that you start your check in for the next game **immediately at the end of the game that just finished, don't wait**. **ARs should start with the Home Team First and then the Visiting Team, while Center referee does the game report**.
5. To keep games on time, League Rules state that **players must be in their game jersey 15 minutes prior to the posted start time**. Please enter on the Match/Game Roster and in the online Comments any team(s) not ready to be checked in. The league will discuss this issue with the team(s) so this doesn't happen again.
6. Match/Game Roster must have jersey numbers and be signed by coaches or manager **before game**.
7. Coach must have a Cal South Coaching Card and a coach must be there for the **entire game**.
8. Complete any Cash on the Field paperwork, when required.

### After Game

1. Each referee must PRINT their name on the Match/Game Roster – so it can be read.
2. Center referee must report the game online **within 24 hours, no excuses**.
3. Go to [www.presidiosoccer.com](http://www.presidiosoccer.com) click on **Login & Info** then click **Presidio Login** or **SDDA Login**. Use your Cal South Username and Password to sign in and click the link **2015 Presidio / SDDA Scoring**.
4. Not sure how to do report your game, watch the video at [Referee Score Your Game](#) link.
5. Enter all Yellow Cards and select the appropriate reason from the dropdown. See list on left column.
6. Enter all Red Cards and **complete a report for each Red card in the "Supplemental Incident Report / Game Comments" section of the Game Stats Entry Screen**. **This is your SUPPLEMENTAL REPORT**.
7. Complete the Match Review pop up. **New this year**.
8. Remember to click on "**SAVE STATS & COMMENTS**" before leaving page. Now you are done.
9. Remember **Referee Assault will require both** a USSF Supplemental Report and a report in the "Supplemental Incident Report / Game Comments" section of the Game Stats Entry Screen.
10. **Finally, DON'T FORGET** - Send all Match/Game Rosters to the director listed on the Match/Game Roster. They can be sent by any media - photo, fax, scan, pdf, or regular mail.

Thank you for your help and assistance in making this a successful soccer year.
