If a parent is ejected from a game, he or she must leave the field area immediately (be out of sight and sound) and will automatically be suspended for a minimum of 2 additional games. In addition, the entire sideline will also be suspended for the team’s next game, due to the parent being ejected from the game.

The only individuals that are allowed on the sideline other than the team’s players will be the coach and team manager, unless the team manager was the offending party. If the manager was the offending party the club will appoint another pre-determined administrator or parent to act as the team manager for the game, prior to next game.
