### Presidio Soccer League & San Diego Developmental Academy Gaming Rules

1. **RULES OF PLAY.** FIFA Laws of the Game will apply as modified by USYSA, Cal South and Presidio Soccer League as described.
2. **REFEREE REGISTRATION AND ID CARDS.** In order to be assigned games in Presidio Soccer League or San Diego Developmental Academy you must be registered for the current year and have a current approved Cal South Referee ID card. This Cal South ID card must be with you at every game. This Cal South ID card must be shown to the administrator of both teams when checking in the players. Any referee who forgets his card more than twice shall no longer be assigned games until the referee agrees to bring their Cal South ID card to the game. The teams know the procedure for when a referee does not have their Cal South ID card. If the referee causes a game not to be played due to the referees not having their Cal South ID card at the game, the referee's association will be billed the fee to reschedule the game and they will then in turn bill you for collection of the fee.
3. **REFEREE CREW.** It is the assignor's responsibility to properly assign the entire referee crew. Center referee assigned must be qualified to referee the assigned age group. It is suggested that the center referee be older than the age of the teams playing.
4. **OFFICIAL MATCH/ROSTER GAME REPORT.** The home team should provide the Official Match/Roster Game Report on three-part carbonless paper. The visitor team should bring a copy as well. This document is used to report what occurred in the game. The referee keeps the top copy as their official record and gives one of the other two copies to each team's administrator. This document **MUST be signed before the game by both teams.** By signing the teams are verifying that the players are registered and they are ready to play the game.
5. **REPORTING SCORES AND CARDS.** Presidio Soccer requires the referee, manager or coach from each team to report score and any yellow or red cards issued in the game within 24 hours either online through the scoring module on our website or by using the Digital Player Card mobile application. **\*Halftime will be exactly five (5) minutes.** Teams that violate the halftime break are to be reported on the Official Match/Roster Game Report and on the online game scoring system.

**Adding Time.** Adding time is at the referee's discretion and is not mandatory. Presidio/SDDA allows for 15 minutes in-between games, which is ample to check in the teams for the next game and get a drink. If the halftime limit is not enforced and the referee adds time then there is time crunch. Presidio/SDDA requires a proper and correct check-in of players. Allow or adjust appropriately, when you add additional time.

10. **FIELDS.** Fields shall conform to FIFA (Law 1) and may be adjusted for youth. The home league is responsible for marking and setup of the field. All fields must be properly marked, GOALS MUST be properly anchored down, and have corner flags when available. Under Law 1 – U.S. Soccer does not require mandatory corner flags for youth games, but it is highly recommended. **GOALS NOT PROPERLY ANCHORED DOWN equals NO GAME and if they can't be fixed the home team shall forfeit the game.** The suitability of corner flags, goals safely anchored and playability of the field are the sole and final discretion of the Referee under the laws of the game. Be sure to discuss any concerns you may have about the field prior to the start of the game. Report any field concerns to Presidio Soccer League. Once the game begins it will be considered a played game.
11. **SUBSTITUTIONS.** Player Substitutions are according to FIFA with the exception that the number of substitutions is unlimited. Substitutions are allowed using the following guidelines:
- All substitutions may be made by either team, with the consent of the referee, at any stoppage of play.
  - When a player injured on the field requires attention, they must be substituted off the field of play, except for the two players of the same team and goalkeeper. Only coach or trainer may attend to injured player unless approved by the referee.
  - Substitutions shall be made at midfield line. The substitute player shall not enter the field of play until the player substituted has left the field of play.
  - Excessive substitutions resulting in delay of game is unsporting and is discouraged. The referee has the power through the laws of the game to manage this type of behavior.

**ABANDONNED GAMES.** The referee may **abandon a match:**

- if there are an insufficient number of players to meet the requirements of the Law of the competition,
- if a team does not appear or
- If the field or any of its equipment do not meet the requirement of the Laws and/or is otherwise unsafe.

An abandoned match will be treated as protested games which may be ruled complete, ordered re-played or continued from the point of stoppage.

12. **TERMINATED GAMES.** The referee may terminate a match:
- a) for reasons of safety (bad weather or darkness),
  - b) for any serious infringement of the Laws, or
  - c) Interference by spectators.

Terminated games before the commencement of the second half will be re-played in their entirety. Terminated games terminated during the second half will be considered complete. Only the competition authority, not the referee, has the authority to declare a winner, a forfeit, or a replay of the match in its entirety. The referee must report fully on the events.

Abandoned or terminated games may be ruled a forfeit, when the actions of that team's players, coaches or spectators is the cause for the abandonment or termination of the game.

Any licensed coach from the team's club may continue the game if that coach has a valid coach's card with that club. If the coach is sent off and no other coach affiliated with the club is available to continue as coach, the referee will terminate the match. Abandoned or terminated games may be ruled a forfeit, when the actions of that team's players, coaches or spectators causing the abandonment or termination. Any coach sent off must be out of sight and sound prior to, during and after the game.

**RED AND YELLOW CARDS will be shown to Coaches, Administrator and Spectators.**

14. **SIDELINE BEHAVIOR.** Coaches are responsible for their sideline and all actions thereon. Coaches are expected to coach their teams in a positive and respectful manner. Presidio/SDDA Soccer League encourages referees to discipline any coach for irresponsible behavior if the coach, player, parent or spectator uses derogatory words or actions aimed at their players, the opposing team's players, coach, sideline or any of the referees. We take sideline behavior serious, and will take actions against players, coaches, parents, and entire sidelines.
